Dear Shareholders,

HELP US SAVE TREES & OUR ENVIRONMEN WITH ELECTRONIC REPORTING

With the growing benefits of electronic technologies, we at RB Patel would like to move towards electronic reporting and communications with you our shareholders. This will help us together save trees and our environment.

The Companies Act 2015 now allows us to electronically send notices and announcements for dividends, half year reports, annual audited financial statements as well as the Annual Report

We urge you to tick the box below and send this form to us.

☐ I agree to receiving notices, market announcements, half yearly reports, annual audited financial statements and annual reports in electronic format.
